Chapter 2 by Joakim

Facebook

5 new messages waiting for you (Harry).

I open Facebook, glancing through them.

Elena has a new posted a new picture of her kids. They always look so happy together. My finger hover over the Like-button but I decide to scroll further.

Tom is ranting about immigrants again. Sigh, time to put him on ignore.

The rest is just rubbish.

Instagram

25 new likes on my latest image, nice. That is 3 more than the last image I took.

Twitter

7 retweets, sweet. I go through them all and retweet something about them to pretend I care so that they will retweet the next time.
